Welcome to Fetcham Grove

We welcome Graig, his team, Arundel's committee, and all supporters to Fetcham Grove for our second home game of 2023.

We turned around our recent run of poor form with a great win away to Hailsham Town last weekend. A fine team performance, especially while playing with only ten men for the majority of the game.

Arundel comes into this game on a good run, without losing since November 19th in the league. An impressive draw against runaway leaders Shoreham at home last week was their most recent result. This is looking to be a tough test today and we need to be on top form to come away with all three points.

If you have followed our social media over the last couple of weeks (@EpsomEwellFC), you would have seen a few new signings. A mixture of experienced and youth comes into the side. An interesting few weeks on and off the pitch coming up.

Good luck to both teams!

Mel

Match Action

Oakwood (H) – Saturday 4th February Felled by Oakwood

We eventually returned to action after a 5 week's absence due to the weather and fixture diary to a match at home against Oakwood who were languishing near the bottom of the table in front of a good crowd of 84.

Our team had a few changes from the last time we played due mainly to injury and unfortunately, none of our three new signings was available.

We started well and could have taken some of our early chances and then in the 23rd minute fell behind to one of the most innocuous goals you will see with at least 3 Oakwood players having the opportunity to score after a ball into our box – 0-1. We continued to press but all to no avail. At half-time, the whistle blew and an Epsom player had an altercation with a supporter and was sent off by the referee.

We started the second half with ten men and fell further behind in the 63rd minute after a lob from 40 yards out went over our keeper to make it 2-0. This was against the run of play even though we only had 10 men. We eventually got a goal back from Athan Smith-Joseph in the 76th minute after a cross that the opposition keeper failed to deal with. Again, we were far the better side in the closing stages and should have equalised on one or two occasions but eventually, time ran out and we the final score remained at 2-1.

This was a very disappointing result, but we have to 'bounce back' next week away at Hailsham Town to get our season back on track.

Welcome Arundel FC

Website: www.arundelfc.co.uk

Founded: 1889

Nickname: The Mulletts

Home Ground: Mill Road, Arundel

Arundel Football Club is a football club based in Arundel, West Sussex, England. They are currently members of the Southern Combination Division 1 and play at Mill Road.

The club was established in 1889. They were founder members of the West Sussex Football League in 1896 and were placed in the Senior Division. They remained in the league until joining the Sussex County League in 1949. When the league gained a second division in 1952, they were placed in Division One. In 1957-58 they won Division One and retained the title the following season.

In 1965-66 the club finished second-from-bottom of Division One and was relegated to Division Two. However, they made an immediate return to the Division One as Division Two runners-up the following season, and went on to finish as Division One runners-up in 1968-69. This was repeated in the mid-1970s when relegation in 1975-76 was followed by promotion in 1976-77, a season in which the club also won the Division Two Cup. Another relegation in 1982-83 resulted in another immediate return to Division One as Division Two runners-up in 1983-84, with the club going on to win their third title in 1986-87, also claiming the league's Challenge Cup.

In 1997-98 they finished bottom of Division One and were relegated to Division Two. Two seasons later they finished as runners-up in Division Two to earn promotion back to Division One.

In 2003-04 they won the Challenge Cup, and in 2008-09 finished as Division One runners-up. In 2013 the ground remained underwater for months due to floods which hit southern England this caused massive damage and nearly finished the club, but we survived to fight another day.

In 2015 the league was renamed the Southern Combination, with Division One becoming the Premier Division. Arundel, however, unfortunately, couldn't avoid being relegated in the season 2018-19 after finishing second from bottom in the league and now plays in county league Division 1.

Match Preview

Arundel FC – Wednesday 22nd February

Home comforts may prove to be beneficial for us with the Mullets never beating us at home, either at West Street or Fetcham Grove. But this time they head across the border into Surrey with a run of 5 unbeaten league matches – a run which stretches back to November when Billingshurst beat them 2-1 at Jubilee Fields.

We are looking for back-to-back wins in the league for the first time since October when we beat Seaford Town and Billingshurst at home respectively. We registered our first win in seven in all competitions with an assertive win over Hailsham last week.

Our last encounter with Arundel finished with a 4-1 away for Epsom back on Easter weekend in 2022. A double from Athan Smith-Joesph, a first goal for the club from Ricardo Fernandes and a fine finish from Mike Hill, who was wearing his infamous Air Force Ones at the time.

This time things won't be so easy.

Arundel's Fine Form

At the end of last season, Arundel finished second bottom, only with Storrington four points behind them, who were eventually relegated to division two of the

Southern Combination league. But this season, with half the games, already played, Arundel currently sits seventh, with more than double their win tally from last season already.

Their turnaround this season is down to two parts. One, they have a better defensive record this season, having the 6th best defence in the league and secondly, their attack this year seems to be more dangerous than previous with Harry Russell currently being the joint third top goalscorer in the league on eleven goals.

Match Preview

Arundel FC – Wednesday 22nd February

He seems to be their dangerous man, but he hasn't played since the 2nd of January when he received a straight red card in the 77th minute in the Mullet's away 1-1 draw with East Preston. If Arundel's final match (Home to Shoreham) before they travel to Fetcham Grove goes ahead, Russell will be in line to return against Epsom.

Team News

We recently published a full story on arrivals, and departures and gave an update on our injury list, please visit our website to see the full list.

We look to have Gideon Acheampong back from a slight calf strain which kept him out of the trip to Hailsham but Johnny Akoto and Jamie Byatt still look to be sidelined with hamstring injuries.

Whilst the injury list is short and all other players are fit, we will also be without new on-loan goalkeeper Toby McKimm who will start a three-match suspension after being sent off against Hailsham when he was judged to have handled the ball outside the area.

Facts and Stats

We are looking for our first back-to-back wins since October while Arundel looks to get keep their unbeaten record.

We have never lost to Arundel competitively, with the only loss coming in a friendly back in 1982. In the six games we have played competitively, we have registered five wins and one draw.
