# Welcome to Fetcham Grove

We welcome Phil, his team, Godalming's committee, and all supporters to Fetcham Grove.

After a disappointing result against East Preston ten days ago, we have put in two outstanding performances to beat Dorking at home and then followed that up with a last-gasp 3-2 win away to Selsey.

Godalming comes into this game with good form. Losing just once since the turn of the year. That run included a win in the Surrey County Cup against Met Police Reserves.

We haven't met Godalming since September and a lot has changed at Epsom since, both on and off the pitch. New faces and a new position for our previous manager, Anthony Jupp.

If you would like more information on squad updates, please don't visit our website. [www.EpsomandEwellFC.co.uk](http://www.EpsomandEwellFC.co.uk).

Good luck to both teams! It should be a great game.

Mel

## Dorking Wanderers B (H) – Tues 28th February

### About Time To!

We played Dorking and Wanderers Academy in a 'top of the table' clash at Fetcham Grove last night and what a performance it was. We won the game through a converted penalty in the first half from Jaevon Dyer and were fully deserving of the win. The performance was full of effort and attitude and the 1-0 scoreline was a great result. There sometimes is nothing better than a clean sheet and a solitary goal to win a game; not all games can be won by 3 or 4 goals.

Over recent seasons, our opponents have become somewhat of a 'bogey' team for us with several defeats to them; we finally put that 'to bed' last night.

We welcomed back Jaan Stanley and Kevin Moreno-Gomez from being recalled by their parent club for the weekend and injury respectively. Oli Thompson took his place in central defence after being used as a late substitute for last weekend's defeat to East Preston. Nick Wilson took over the central midfield berth from the absent Ryan Smith.

In truth as we look back on the match, we were by far the dominant team over the 90 minutes and won the game after a correctly awarded penalty just over midway through the first half. The penalty was awarded for a clear foul on Jaevon Dyer who promptly dispatched it into the net even after plenty of shenanigans from the opposition goalkeeper in trying to put him off.

In the second half, we had at least 3 further great chances to increase our lead and on each occasion, the opposition goalkeeper did not make a save. Our opponents did not really fashion a clear-cut chance in the whole 90 minutes which is testimony to our defensive capability on the night.

All in all a great result which puts us back into second place and 8 points behind league leaders Shoreham who suffered their first defeat of the season at home to Selsey last night.

# Welcome Godalming Town

**Website:** [www.godalmingtownfc.co.uk](http://www.godalmingtownfc.co.uk)

**Founded:** 1950

**Home Ground:** THE BILL KYTE STADIUM, Godalming, GU7 3JF

The club has its origins as Godalming United FC, formed in 1950 by ex-pupils of Godalming Grammar School. Between 1950-71 the club played at the Recreation Ground. However, in 1970 Surrey Senior League side Farncombe collapsed, leaving their ground in Meadow vacant. Godalming took over the debts and tenancy, changing their name to Godalming and Farncombe FC, and the ground to Wey Court in the process.

The original pitch was where the nearby Wey Court Sheltered Housing stood and a considerable amount of work was undertaken on the new playing area, which was built on the site of an old waste tip. The club was helped by Waverley Council when drainage problems and subsidence meant they had to find a temporary home at Broadwater Park. The club was accepted into the Combined Counties League for the start of the 1978 season, and a year later the name was changed again, to Godalming Town FC.

In 1985, another local club, Addlestone & Weybridge, was disbanded and, before their ground at Liberty Lane was demolished, Godalming purchased the stand and perimeter fence for £225 and £50 respectively. The stand was re-erected at Wey Court, with seating and fascia added. The next development came in 1992 when the Guildford Football Appeal (formed in an attempt to return the towns name to senior football, following the collapse of Guildford City in 1977) donated a sum of money towards floodlights, and in return, the name of the club was changed again to Godalming & Guildford FC.

Further recycling followed in 1995 when a new turnstile building was erected incorporating a turnstile from Millwall's old ground and in 1996 the clubhouse was refurbished. During the 2005 close season, the club changed its name for a fifth time, albeit back to one of its previous incarnations, that of Godalming Town. A fantastic 2005/06 season saw the side take the Combined Counties League Championship and League Cup by storm.

Godalming Town were then accepted by Isthmian League officials following extensive ground improvements..

At the end of a tough season, Godalming found themselves at the bottom of a very competitive division. However, events elsewhere meant that Godalming were reprieved from relegation and were transferred into the Southern League's South & West Division for the 2007/08 season. Chuck Martini replaced Roger Steer as Manager in October 2007. Town were moved back to the Ryman League for the 2008/09 season and eventually finished in another record high position, 9<sup>th</sup>. Godalming also progressed further than ever before in the FA Cup by reaching the 3<sup>rd</sup> Qualifying Round before losing 2-1 at Conference South side Havant & Waterlooville.

The 2009/10 season was arguably the best season in the history of the club. Town finished a record high position 4<sup>th</sup> in the Ryman South but were eventually beaten 2-1 in the Playoff Final at Folkestone Invicta. The club progressed further than ever before in the FA Trophy and won the Surrey Senior Cup by beating Sutton United 2-1. The season also saw local boy Shaun Elliott become the club's record appearance holder after reaching 360 games in a Godalming shirt. Chuck Martini was replaced by joint-managers Jon Underwood & Neil Baker in October 2010 and the club finished an unpredictable season in mid-table. The 2011/12 season saw a lot of new faces join, but the team quickly gelled, reaching the 4<sup>th</sup> Qualifying Round of the FA Cup, beating Wimborne, Moneyfields, Worcester City & Bodmin before bowing out to Maidenhead United in front of 700 at Wey Court. The G's finished 5<sup>th</sup> in the league, and travelled to Bognor Regis Town in the playoff semi-final, drawing 4-4 after extra time but Godalming lost 5-3 on penalties.

2012/13 saw Jon Underwood and Neil Baker guide Godalming to their highest ever finish in the pyramid, finishing in 3<sup>rd</sup> place. The G's lost in the playoff semi-final for the second year running, this time losing 2-1 to Biggleswade at Wey Court. The season finished on a high however, as Godalming lifted the Surrey Senior Cup for the second time in four years, beating Sutton United 1-0 at Gander Green Lane, thanks to a last minute goal from Scott Harris. The close season saw Godalming moved to a third different league in as many years, this time to the South & West Division.

With divisional change came a managerial change; Jon Underwood and Neil Baker left Godalming to join Slough Town, taking the majority of the squad with them. Andy Hunt was appointed manager in June 2013, assisted by Neil Selby.

The 2013/14 season was probably one of the hardest the club has dealt with. Andy Hunt was given the task of putting together a squad that will compete in the league and secure step four football. At Christmas 2013 the clubhouse, kitchen and changing rooms were ruined by flood water. Godalming finished the season in 18<sup>th</sup> position. Godalming were then moved into another division again and will play in Southern League Central Division for the 2014/15 season.

Godalming finished in 10<sup>th</sup> position in the 2015/2016 and reached the Surrey Senior Cup Final for the 3<sup>rd</sup> time but lost 4-0 to Merstham. The 2016/2017 season could be viewed as an annus horribilis for the men as wins became less frequent than management changes. Andy Hunt left and was replaced by Dean Thomas who subsequently departed before the club was relegated under Dan Turkington. Inevitably relegation followed and Dan departed, as did much of the entire first team.

On the upside the Ladies team under the auspices of Steve Davies and Darren Wheeler finished second in Division 2 South and were promoted to division one in the Greater London Womens Football League. 2017/18 began in familiar fashion with a new management and a new squad in a new division. After a promising start under Simon Funnell and Matt Drew (including a brief run in the FA Cup which finally ended at Hereford), wins became harder to come by and by Christmas, Jon Palmer and Gavin Smith were in charge. After a slow start, a promising run took the G's out of the relegation zone before fixture congestion and a high turnover of players led to a second relegation in two years.

The youth team had a great season and finished 2 nd in the Surrey Primary U18 Elite League. The Ladies first team continued to go from strength to strength with an exciting FA Cup run and promotion to the GLWFL Premiership. The Ladies development team finished an excellent 3 rd in division 3 which meant they were promoted also in the division two south for the 2018/19 season.

The Ladies first team finished runners up of the GLWFL premier division and will continue in the same division for the 2019/20 season. On a sad note in February 2018 saw the passing of Bill Kyte, the Godalming Town President of an astonishing 57 years. It is true to say that without his tireless work, the club would not even exist today which is why it is fitting that the name of the ground is now The Bill Kyte Stadium in memory of the great man.

2018/19 saw a change in management again and the club appointed former Southampton professional goalkeeper Les Cleevely and Jordan Knight as his assistant. Both of them bring plenty of coaching experience in senior and youth football. Jordan became first team goalkeeper with Jason Kerbey joining the management team as coach. Finishing 12 th in Combined Counties League Division One.

Les has brought a refreshing blend of tenacity and commitment to the club, concentrating on building a young side that can grow and win together for years to come. He is tireless both on the field and behind the scenes and with selfless assistance, blood, sweat and beers of an incredible band of volunteer helpers, Les is helping rebuild the club to be in a position to challenge for honours again. The 2019/20 season was a mixed one for the club and a season that many clubs won't forget. Unfortunately results didn't go our way and found ourselves at the foot of the Combined Counties League Division One when the season ended. Due to the coronavirus the FA decided to declare the season null and void. This meant that the season was expunged, results deleted and meant that the first team would remain in the Combined Counties League Division One for the 2020/21 season. The 2020/21 season saw just 12 games played before another lockdown due to the pandemic so the season was curtailed. First team manager Phil Ruggles and his management team kept the squad together until restrictions lifted and G's competed in the inaugural Fripp-Smith Trophy and won the Esoteric Recordings Division One Cup with a win against Merstham U23s.

in front of 500 people which is a credit to them and the players. We will compete in the Sothorn Combination League Division One for the 2021/22 season after being switched from the Combined Counties League in the annual FA restructuring. G's finished a respectable 7 th position in the league just missing out of a playoff spot. They will continue again in the SCFL division one for the 22/23 season.

## Godalming Town (A) – Tues 27th September '22

### The G's Come Unstuck

We made the 'shortish' journey for us to Wey Court on Tuesday 27th September to face Godalming Town which is known as 'The G's'. This is a tough place to play for any team and 'under the lights' will always be an actual test of your credentials as a unit.

We had an unchanged lineup from our excellent victory over Wick ten days before. The game started with both teams not probably playing their best and we opened the scoring against the run of play with a delicate chip by Nick Wilson over the Godalming keeper; it was an excellent finish. Only 7 minutes later we extended our lead when the excellent Jaevon Dyer who caused the Godalming defence all sorts of problems latched onto a ball over the top and beat one man easily and the keeper and rolled the ball into an empty net in the 24th minute. He fell awkwardly after scoring and was treated immediately, but you could see that he was struggling and he was soon substituted by the management more for his protection than anything else. Godalming was having their fair share of chances and it was no surprise when they pulled a goal back just before halftime after a smart turn just outside the 6-yard box. Half time 2-1.

We fully expected an onslaught from the home team at the beginning of the second half and we certainly got that. However, we defended solidly and rode our luck on a couple of occasions especially when you would have expected the Home team to score from some guilt-edged opportunities. One point-blank save of note from our keeper, Matt Walton just before the end of the match when he stopped a certain equaliser. And then in the 95th minute Jonny Akoto 'Sonic' sped down the right wing leaving Godalming defenders in his wake and into the box where he was fouled and the referee pointed to the spot. Richard Pingling stepped up and sent the keeper the wrong way so we made it 3-1. The referee blew for full-time shortly afterwards.

This was a very good result and provided real proof of the team's battling credentials. As previously mentioned this is not an easy place to go and get 3 points and many of our rivals will not do what we did and win.
