MANAGER NOTES

GOOD AFTERNOON and welcome back to Culver Road.

With each game we are seeing the improvements throughout the club. It's been a tough start with so much change and also putting in a steps to make us a sustainable football club at this level off the pitch.

Montpelier Villa AFC rise to county league has happened very quickly considering how long we have been in the Southern Combinations and sometimes you need to go 2 steps back to go 5 steps forward.

CONTINUED →

We aren't there yet and we continue to reach out to anyone that wants to help us continue with our objectives which is to provide an environment for all. Whether that's community programs helping the disadvantage, providing a place to play football or whether you want to push yourself to play as high as possible.

The road to achieving this is hard but the club has all the ingredients to do this.

Our first team are showing signs of recovery and the new signings have helped us massively. Are we there yet, no but hard work is the only way to achieve this and to remain humble.

We come off a good run from where we were so let's see what Epsom & Ewell bring. No doubt quality and we have to figure out a way of getting a result.

Let's play ball.

Enjoy the game
