Welcome to Fetcham Grove

We extend a big welcome to Neillhis team, Oakwood's committee, and all supporters to Fetcham Grove, for finally our first home game in 2023!

With recent postponements, the league has been busy rescheduling a lot of fixtures, whilst the outcome is not conclusive, I suggest you keep up to date through our website..

If you follow the form, this game could go either way, It's a funny old game! We had sad news a few weeks ago with the departure of Bradley Peters our captain, his decision was the toughest he has had to make but the opportunity to get back to step 4 football and play on his doorstep was a persuasive argument. We would wish him all the best for the future at Broadbridge Heath and his new home.

On a positive note, we have recently signed the services of a young keeper Roan Strong who comes with glowing references from South Park and Wimbledon, George Butler re-signs, and another youngster that has come up from the colts, we wish them the best of luck and our support.

Match Action

Chessington & Hook (H) – Tues 27th Dec

'Chessy' Take The Spoils

We entertained Chessington and Hook football club on Bank Holiday Tuesday after Christmas. The kick-off was moved with the agreement of our visitors to noon. There was a sizable crowd at the match to watch the entertainment on offer.

Our team contained several changes from the previous loss to Deportivo Galicia with concussion absentee Brad Peters missing from our one-up, we welcomed back 'Sonic' Akoto and Aaron Bogel to our back line and Ben Bauchop earned a starting place in our midfield.

After the opening exchanges, it was Epsom who took the lead in the 21st minute after a shot by Gavin Quintyne that was parried to the feet of Jamie Byatt who was on hand to open the scoring for us; on the balance of play, it was just about right. However, the lead only lasted 12 minutes before 'Chessy' equalised to make the score 1-1.

The rest of the first half ended with both teams battling to take the lead. 'Cheesy' had a golden opportunity to take the information but the effort went over the bar. Another scoring opportunity presented itself to each side, but the chances were spurned. Half time 1-1.

As the second period started, we earned a couple of corners from good attacking play, but the opportunities were lost and then in the 50th minute and slightly against the run of play we were behind 1-2.

This setback galvanised the team and we did not make the best of at least a couple of opportunities and fell further behind in the 76th minute; this would prove to be the final scoreline.

PROUD TO SPONSOR
EPSOM & EWELL FOOTBALL CLUB

Welcome Oakwood FC

Website: www.oakwoodfc.co.uk

Founded: 1962

Nickname: The Oaks

Home Ground: Tinsley Ln, Crawley

Founded in 1962 by pupils from St Wilfrid's school which was predominantly biased towards Rugby football, Oakwood FC took its name from the estate where the school was situated. After three seasons of competing against other local school teams, it was decided that the club was established enough to apply to join the Crawley and District Football League for the 1966/67 season.

The Oaks worked their way up through the Divisions and after 5 years reached C&DFL Division 1. During the 1972/73 season, the club reached the Sussex FA Junior Cup Final losing 1-0 and were again runners up in the same competition the following season to the same score-line. However, by the time they had reached their second consecutive County Final, they had been crowned Crawley League Division 1 Champions and Winners of the Crawley Senior Cup. By 1980 the club was beginning to restructure and joined the Southern Counties Combination League, where they finished a creditable 4th in the first season, and incredibly runners up the following year also winning the League Cup. 1983 was an important milestone that saw the club purchase its present home at Tinsley Lane, Oakwood Park, and begin to lay the foundations for the future. With the extension of the Sussex County Football League by introducing a Third Division for season 1984/85, the club were accepted on application and emerged as Champions at the first attempt.

After promotion and adjusting to life in Division 2 the club finished third during their third year and should have missed promotion as the old ruling was two down two up. However, promotion was granted to Division 1 as Bexhill Town, who had finished as runners-up, did not have adequate facilities for the top Division then. Unfortunately, Oaks found life very difficult and were relegated after just one season. Another landmark event for the club was the installation of the floodlights for the 1989/90 season, presenting further evidence of the desire to be involved in staging top-flight football. This gave a fresh impetus to the team who finished the season as runners-up, ironically to Bexhill Town. Some consolation was gained with the first senior trophy for the club in the shape of the Division 2 cup, where they defeated Stamco 2-1 in the final.

1990/91 saw the Oaks back in Division 1 and with a sense of optimism, but with too many clubs competing for too little local talent, some of the previous season's squad chose to depart, and a closing place of ninth fell below expectations. A tough season in 1991/92 ended with a slip to 14th, before 1992/93 saw a steady climb back up to 8th. 1993/1994 was a memorable season which saw the club reach the final of the Sussex Senior Cup, played at the old Goldstone Ground, the former home to Brighton & Hove Albion.

Two notable scores along the way were against Isthmian League teams beginning with the 2-0 home victory over Worthing Town, a group that included the former Irish world Cup star and player/manager Gerry Armstrong. The result ended Worthing's unbeaten run of thirteen games! That was followed by a 2-1 semi-final win against Bognor Regis Town, played at Queen Street, Horsham, which set up an All-County League Final clash, an occasion not witnessed often in recent memory. Oaks opponents were a very strong Wick team at the time who took the honours with a 3-1 win. Then came a period of struggle which resulted in relegation back into Division 2 at the end of the 1996/97 term after six years in the top Division. With numerous developments being undertaken throughout the region, the ongoing saga to find a new home continued, as the present facility dates back to the early fifties.

A move to recruit new talent on the field was needed, and at the end of season 2001-2002 an approach was made to neighbours TSC who were making headway in County Division three but about to lose the use of their facilities. Both parties agreed and for the start of the 2002/2003 season the rejuvenated club took to the campaign narrowly missing out on promotion by finishing fourth, and the following season's fifth placing was regarded as a disappointment. However, the club reached two cup semi-finals and the last eight of the Sussex Senior Cup with the playing surface beginning to repay the hard work and money lavished on it over the two summers since the amalgamation. Allied to the progress made to the playing surface the committee's efforts off the field were recognised with the granting of the English National FAs Club Charter Standard award. To date, we are the only club to have been awarded the Charter for both Adult and Youth sections independently.

This represented another significant leap forward and enabled the club to enter an under-18s squad into the prestigious Southern Youth League, home to some of the best talents around where clubs within the National League pyramid system are to be found.

Widely accepted as one of the best around the Sussex County, The Oakwood Youth Section incorporates some 22 teams to date, ranging from FA Approved mini-soccer age groups from 6-10 to FA Approved 11-a-side football from age groups 11-16. There are more than twenty club coaches several managing within the youth section, at least twelve qualified at level 1, five at level 2 and three at level 3, and one coach in his final year for obtaining a UEFA A license which would mean he would be able to coach at a professional level. By forging links with recognised coaching organisations there is always the potential for players to progress through the system at Oakwood and become involved in professional clubs.

Last year three players who started in the Oakwood Youth Section were awarded professional scholarships with Crystal Palace, Milton Keynes Dons and Brentford respectively, and so far this year one player has been given a one-year apprenticeship with Brighton & Hove Albion. Bridging the gap from youth to senior football Oakwood has now embarked upon an ambitious local school link programme currently re-forging links with its roots of origin at St Wilfrid's School, to continue the club's long-standing association with the people of Crawley.

Match Action

Dorking Wanderers 'B' (A) – Mon 2nd Jan 2023

Sucker Punch

We left the Meadowbank Stadium the home of Dorking Wanderers 'B' team with no points after losing to our opponent's only chance of the match in the 86th minute; most observers both home or away would have said a draw would have been a much fairer result. And yet we had the more clear-cut chances throughout the 90 minutes but were unable to finish and so were left to 'lick our wounds' and look forward to our next match against Selsey next weekend at Home where we have a chance to arrest this bad run of form we are currently experiencing. This result drops us to second place in the table with 14 games to play.

We had a few absentees from our normal squad but still took the field with a strong team but with only 3 substitutes. We welcomed into our front Mario Quaiascca to partner Jamie Byatt up front and Ryan 'Butch' Smith came back to anchor our midfield. The first half was a very even affair with the only chances of note falling to us, but as mentioned above we were unable to convert any of them.

The second half continued in the same vein with some better chances for us to open the scoring, but then came the fateful moment in the 86th minute which ultimately turned out to be the winning goal.

Even though we lost, we can take various positives from the game - it was a much better performance than six days ago against Chessington and Hook FC and with a bit of luck we could have taken the points - we move on to next Saturday against Selsey.
