# Welcome to Fetcham Grove

Welcome everyone, back to Fetcham Grove for the first time in 2023. We welcome 'The Seals' today, welcome to Daren, his management team, club officials, players and fans.

We haven't had the best of results of late, with two derby defeats at home to Chessington and a late sucker punch away to Dorking on January 2nd. Whilst our visitors have been on a similar run of form after their very good to start to the season, both teams will be wanting to take all three points away from today to kick-start the end of their season.

Good luck to both teams and enjoy the game,  
Mel

## Chessington & Hook (H) – Tues 27th Dec 'Chessy' Take The Spoils

We entertained Chessington and Hook football club on Bank Holiday Tuesday after Christmas. The kick-off was moved with the agreement of our visitors to noon. There was a sizable crowd at the match to watch the entertainment on offer.

Our team contained several changes from the previous loss to Deportivo Galicia with concussion absentee Brad Peters missing from our one-up, we welcomed back 'Sonic' Akoto and Aaron Bogel to our back line and Ben Bauchop earned a starting place in our midfield.

After the opening exchanges, it was Epsom who took the lead in the 21st minute after a shot by Gavin Quintyne that was parried to the feet of Jamie Byatt who was on hand to open the scoring for us; on the balance of play, it was just about right. However, the lead only lasted 12 minutes before 'Chessy' equalised to make the score 1-1.

The rest of the first half ended with both teams battling to take the lead. 'Cheesy' had a golden opportunity to take the information but the effort went over the bar. Another scoring opportunity presented itself to each side, but the chances were spurned. Half time 1-1.

As the second period started, we earned a couple of corners from good attacking play, but the opportunities were lost and then in the 50th minute and slightly against the run of play we were behind 1-2.

This setback galvanised the team and we did not make the best of at least a couple of opportunities and fell further behind in the 76th minute; this would prove to be the final scoreline.

# Welcome Selsey FC

**Website:** [www.selseyfc.co.uk](http://www.selseyfc.co.uk)

**Founded:** 1903

**Home Ground:** Chalky Lane, Chessington

Selsey Football Club was formed in 1903 and played at various grounds before setting up home at the High Street Ground in the late 1940s. Selsey was a formidable force in the West Sussex Football League and dominated the league in the 1950s. Their record in the West Sussex Football League before applying for promotion to the Sussex County Football League was the envy of many around. They won Division One on six occasions in 1937/38, 1954/55, 1956/57, 1957/58, 1958/59 and 1960/61, together with the Malcolm Simmonds Memorial Cup on four occasions in 1955/56, 1956/57, 1957/58 and 1958/59. They also added the Sussex County FA Intermediate Cup trophy to their haul in 1958/59.

Selsey made the step up to the Sussex County League in 1961 and made an immediate impact on Division Two when finishing runners-up to champions Shoreham in their first season. Selsey gained promotion to Division One in 1963/64, ending the season as champions and were also winners of the Division Two Invitation Cup. The club remained in the top division for five years before being relegated in 1969. The highlight of their early existence in the County scene was when they appeared at the Goldstone Ground, Brighton and were narrowly beaten by Eastbourne Utd 1-0 in the Sussex Senior Cup in season 1962/63.

A return to the top flight was achieved in season 1975/76, again as champions, but within two seasons the club once again found itself back in Division Two. They then endured a further nine seasons in the lower division until they gained promotion back to Division One for the third time in 1986/87, as runners-up to Pagham. Their two chances of cup glory during that time came in 1984/85 when they were runners-up in the Division Two Cup losing to local rivals Chichester City 2-1 and in 1986/87 when they were eventual winners.

Once back in Division One Selsey managed to survive for four seasons, until finishing bottom in 1991 with just 12 points. They had another chance at silverware in 1989/90 but again failed in the final when they lost to Langney Sports in the John O'Hara League Cup. They made amends by winning the County League five-a-side tournament at the Brighton Centre. The club then had a period of success when they were runners-up in the Division Two Cup in 1994/95 and winners of it the following season, together with winning promotion to Division One again in 1995/96. The club then enjoyed its longest spell in Division One, a period of eight years. It then had its most successful time, when Danny Hinshelwood took control of the club in 2000.

Season 2001/02 saw them win the SCFA RUR Cup and the following year saw them lift the John O'Hara League Cup. In 2000/01 and 2001/02 the club finished 4th on both occasions, their highest finish to date. Problems behind the scenes at the club, however, saw them start 2003/04 amongst the favourites for relegation. The annual curtain-raiser - The Norman Wingate Trophy - did little to dispel those feelings, as Whitehawk thumped a woeful Selsey side 6-1. The remainder of the season followed suit as Selsey were relegated to Division Two.

Following two seasons of rebuilding and re-structuring, and with Danny Hinshelwood back in charge, the 2005/06 campaign saw Selsey back to something like their best. They gained promotion back to Division One and in 2006/07, they finished in 8th place. They also won their way through to the SCFA RUR Cup final again in season 2007/08, but could not record their second triumph of this long-established competition, losing to Three Bridges. A 15th-place finish kept them in Division One. Another cup final appearance was to come Selsey's way in 2011/12 when they played Rye Utd in the SCFA RUR Cup, but again could not record a win and lost 2-0.

In 2011 the club made improvements to the ground in line with the FA ground grading requirements and now has a ground worthy of its County League status. Selsey's 2012/13 season saw some highs and lows. League wins at Hassocks and Redhill was the pick of the bunch and an emphatic 4-0 thumping of Rye Utd avenged the cup final defeat from the previous season. A total of eleven league wins and twelve draws saw Selsey finish 18th in the league, only avoiding relegation by four points.

The following season started with great enthusiasm and optimism. Ex-Brighton and Hove Albion favourite Adam Hinshelwood were in charge of the side and things looked good for the new campaign. However, a far from the bright start saw Selsey draw their first game and lose their next three before beating local rivals Chichester 2-1 at home in the league. Early exits were recorded in the FA Cup and FA Vase and their league form was inconsistent. This form led to Hinshelwood resigning as Manager when they lost away to 2nd Division outfit Broadbridge Heath in the SCFA RUR Cup. Ryan Pharo took over the hot seat and stabilized the ship, recording notable victories against Pagham and Hassocks. Pharo's rein at the Club however was short-lived and he was removed from his post in March. The Club decided to take on a Youth policy and needed to promote from within. Steve Bailey was promoted to the position of Manager and with half the first-team squad leaving the Club it was a difficult end to the season. They lost seven of their last eight matches only winning the last game of the season at home to Lingfield 3-2. This win secured their place in Division One for another term.

The 2014-15 Season proved to be a very difficult time for the Club. The first team struggled in the league and never looked like holding onto their position in Division One. They ended the season in bottom place with only eleven points to their name which meant relegation to the newly formed Southern Combination Football League. Their cup exploits did not fare any better with defeats in the first round of each competition.

The 2015-16 season again proved to be tough for Steve Baileys' side. It took until the second week in October before they recorded their first league victory. (The first game of the season was awarded to Selsey when Saltdean Utd FC was unable to raise a team). Early Cup wins in the Peter Bentley Cup and Division One Cup was an improvement on the previous term, but unfortunately, the side went out of these competitions before any silverware came their way. For the third season running Selsey was either, already relegated, or needed a result on the last day of the season, to ensure they did not end up in the bottom three. A 1-1 draw at home to Southwick was sufficient for the team to retain its Division One status and plan for the season ahead.

2016-17 saw an improvement in the league and Selsey finished in a respectable 7th position with 53 points. Again, there were early exits in the cup competitions but some good performances throughout the season suggested the Club was heading in the right direction.

Much was expected in season 2017-18, but Selsey was unable to improve upon the previous season's finish. They maintained a mid-table position when they finished 9th on 47 points. The side fared no better in the cup competitions and the season ended up a bit of a disappointment. It was at the end of this season that a managerial change was made. Steve Bailey was replaced by ex-player Daren Pearce, who had previously been in charge at near-neighbours Sidlesham FC.

2018-19 saw an immediate improvement and the 1st team ended up in 5th position with 66 points. The National and County cup competitions were not favourable to Selsey and interest in these, was again, lost in the early rounds. However, the U18s were dominant in the league. They not only won the U18 West Division, but they also won the SCFL Champions of Champions final. Things looked very bright for the club moving forward.

The next two seasons were disrupted by the COVID-19 pandemic. Season 2019-20 was terminated in March 2020 and, whilst season 2020-21 got underway, it, also, was not concluded.

Fortunately, a lot of the COVID-19 restrictions were lifted for the commencement of the 2021-22 season and this started on Saturday 31st July.

## Epsom & Ewell Colts FC

Epsom & Ewell Colts FC is an inclusive and diverse charter standard club committed to providing a safe and fun environment that allows players, coaches and managers to develop their skills and ensure a positive experience of youth football.

Our club has been in existence since 1971, originally known as West Ewell Wanderers FC. In 2006 the club changed its name to Epsom & Ewell Colts FC.

Since 2006 the Colts have gone from strength to strength, not only on the pitch but also with its committee, managers and coaches who ensure the stability, standards and continued growth of the club.

Currently, we run a mixture of boys & girls teams, with the number of teams standing at 50 plus that play across Saturdays and Sundays.

As part of our three-year development plan the Colts have initiated key partnerships and priorities:

- Partnership with Chelsea Football Club Foundation to support the development of the Club, Managers and Players.
- Partnership with GLF and Glyn School to secure a home ground that can provide excellent facilities for both the Colts and the wider community.
- Our Ladies team has now been created and provides lots of fitness and fun.
- Sponsorship initiatives to provide income and longevity for the club

Our community partner clubs are a part of our project to return back to the borough, by allowing more younger players to use first-class grassroots facilities we have partnered with many local organisations to try and achieve this. You will find out more about our other community partners in future editions!

Today our matchday mascots come from Epsom & Ewell Colts U11s! We hope they all enjoy the day!

**Dorking Wanderers 'B' (A) – Mon 2nd Jan 2023**

## **Sucker Punch**

We left the Meadowbank Stadium the home of Dorking Wanderers 'B' team with no points after losing to our opponent's only chance of the match in the 86th minute; most observers both home or away would have said a draw would have been a much fairer result. And yet we had the more clear-cut chances throughout the 90 minutes but were unable to finish and so were left to 'lick our wounds' and look forward to our next match against Selsey next weekend at Home where we have a chance to arrest this bad run of form we are currently experiencing. This result drops us to second place in the table with 14 games to play.

We had a few absentees from our normal squad but still took the field with a strong team but with only 3 substitutes. We welcomed into our front Mario Quaiascca to partner Jamie Byatt up front and Ryan 'Butch' Smith came back to anchor our midfield. The first half was a very even affair with the only chances of note falling to us, but as mentioned above we were unable to convert any of them.

The second half continued in the same vein with some better chances for us to open the scoring, but then came the fateful moment in the 86th minute which ultimately turned out to be the winning goal.

Even though we lost, we can take various positives from the game - it was a much better performance than six days ago against Chessington and Hook FC and with a bit of luck we could have taken the points - we move on to next Saturday against Selsey.
