## **SHEER TALK**

We welcome our Match Sponsor, Geoff Harrison to Sheerwater today.

**EPSOM & EWELL** We welcome the committee, management team, players & supporters of Epsom & Ewell Football Club to Sheerwater for today's match in the Cherry Red Records Premier South Division. The Salts arrive here in the league in 17<sup>th</sup> position playing 24 matches, winning 7, drawing 4 and losing 13, picking up 25 points. The Salts had a great run in the FA Vase losing 1-0 at VCD Athletic in the 4<sup>th</sup> Rnd

**THE SHEERS** We face Epsom & Ewell in 12<sup>th</sup> position after 30 matches, winning 7, drawing 7 and losing 16 picking up 28 points. The Sheers won 0-3 at Epsom & Ewell on November 2nd. Our last match at home on Saturday 18<sup>th</sup> January ended in a great 6-1 win against Chipstead despite playing with 10 men due to the unfortunate sending off of Theo White. We then travelled to Merstham in the Specsavers Surrey Senior Cup losing 4-0 on the night to a very good side. Last Saturday we were on the road again to our local derby match with Knaphill, despite the goal less game the Sheers were the better side overall and for sure they were unlucky not to score a couple of goals. Also in this League match the teams play for the Taylor Cup that is in the memory of Dave Taylor the father of the Taylors. Due to the rules Knaphill retained the Trophy again.

**THE SHEERS UNDER 23s** The Under 23s remain top of the Suburban League Central with 18 points clear of second placed team Tooting & Mitcham who have 6 games in hand on the 23s. Last Saturday their campaign in the Mike Bidmead Trophy came to a halt in the Quarter Finals against Premier Team unbeaten Bromley losing 1-5 at home.

Prior to this match on midweek Tuesday they also were defeated in the Aldershot Intermediate Cup on penalties losing 1-3 after drawing 1-1 in the 90 minutes with Midhurst & Easebourne. The 23s kicked off their Challenge Shield in the group stages on Friday 17<sup>th</sup> January against Slough Town drawing 2-2 conceding a last minute goal. Slough Town is a very good facility and they were most welcoming towards us.

### **SHEERWATER SUNDAYS**

Our Sunday side are 4<sup>th</sup> from the bottom of the Leatherhead & District League. Last Sunday they were narrowly beaten 1-0 away to Hersham. This Sunday they are at Home to Woking & Maybury in the Cup. Kick Off 10-30

### **SHEERWATER YOUTH FOR 2025**

## **SHEERWATER FOOTBALL CLUB HISTORY**

The London County Council started to build Sheerwater Estate in 1948, for families that wanted to move out of London and start a new life in Surrey. Around 1,380 houses were built at a cost of approximately £3 million. This prompted a community spirit from the early days, and football being the number one sport came into effect when groups of men started having a kick around at the Sheerwater Recreation Ground, this led to friendly matches being arranged. Sheerwater Football Club was founded in 1958 by early members of the club, John French (also player) assisted by his wife Violet, Stan West, Ken May, Bill Hilleard, Herbert Taylor (also player), Syd Morris, Derrick Thomas, Colin McDermott, Dennis Hill (also player), Tom Coleman (secretary) and players John Murray, Micky Wedge, Chris Robinson, Jose Garcia, Tony Minchinton, Don Stevens, Michael French. Sheerwater joined the local Woking & District League adding newcomers Dennis King, Geoff Harrison, Lee Mason, John Rowse, Terry Jenkins, Jim Kelly, John Chamberlain, Tom & Doug Dillon, Mick Boot, John Cox, Don Wake, Derek Bloom, Tony Scamal, Ben Fuco along with school teachers Roy Rozier, John Hopper, & John Collin. We then progressed through the Divisions of the W&DL and obtained Intermediate status into the Surrey Intermediate (Western) League in the 1967-68 season. The club then progressed to senior level, and were promoted to the Surrey Senior League for the 1972-73 season with a highest finish of 6<sup>th</sup> achieved in the 1974-75 season. In 1978 following the loss of clubs to the London Spartan League, Hampshire clubs were admitted to the Surrey Senior League with the title of the competition eventually becoming the Combined Counties League. In 1981-82 the League had reached 22 members, and as a consequence was split into East and West divisions. In a dreadful season with only one win and one draw the club finished bottom of the East division, 16 points behind Clarion and both Sheerwater and Clarion were relegated to the newly formed Surrey Premier league. In our first season in this new league we had a highest position of 5<sup>th</sup> in 1982-83. However in 1984-85 we finished only above the bottom side Heath End Wanderers and another relegation followed. Unfortunately the vacancy at the lower level was a position in the Surrey Intermediate (Eastern) Division. Fortunately after one season in the Eastern Division we were allowed to transfer to the Surrey Combination Premier Division for the 1986-87 season, but we were relegated at the end of the season. After twice finishing third, we were Champions of Division One in 1989-90 and promoted to the Premier Division for 1990-91, finishing in a mid-table position. However in June 1991 The Surrey Combination and Surrey South Eastern Intermediate Leagues merged, but we were able to move sideways to the Surrey Intermediate (Western) League. This was only for one season as we achieved promotion back to the Surrey Premier League. Our stay was, however, for only one season as we finished above bottom club Ashted, only on goal difference, and were relegated once more. Yet again this was only for one season. In 1994-95 we were back in the Surrey Premier League and finished 9<sup>th</sup>. After many discussions the Surrey Premier league became the first division of the Combined Counties league for the season 2003-04. The Sheers were Division One League winners in 2019-20 season and were promoted to the Premier Division whilst ground sharing with Woking FC for three seasons. The club moved into their new facility the Eastwood Leisure Centre for their opening match with Woking Football Club on Saturday July 24<sup>th</sup> 2021. Sheerwater parted company with Manager Peter Ruggles at the end of season 2021-22 having joined us in February 2015. Our new management for season 2022-23 were Michael Herbert & Darryl Jelly who resigned in November 2022. Sheers new management appointment for 2022-23 was John Comer who managed to keep the club in the Premier Division South despite the difficulties finishing in 16<sup>th</sup> position.

John Comer remained as manager for the start of season 2023-24 but was replaced in November 2023 by Gareth Price and David McHugh. In January 2024 managers Gareth Price & David McHugh were replaced by TJ Barbato & Sean Wallace to take over team affairs. The Sheers managed to avoid relegation in season 2023-24 and TJ Barbato & Sean Wallace remained in charge of Team Affairs for season 2024-25.

### **EPSOM & EWELL HISTORY CLUB HISTORY**

Epsom & Ewell F.C. Club History 1918-2023 We were founded in March 1918 as Epsom Juniors Cricket Club and played throughout the summer. In the autumn, Epsom Juniors F.C. came into being and played a handful of games from what is now known as Alexandra Recreation Ground. Competitive football followed as we entered the Surrey Junior League in 1919, and became founder members of the Sutton & District League in 1920. A change of name in July 1922 to Epsom Town F.C. heralded the start of a very successful era. By now resident at the Horton Hospital Sports Ground, we were unfortunate to lose 2-1 after extra time at Dorking F.C.'s Pixham Lane ground to Caterham Mental Hospital in a replay of the Surrey Junior Cup Final. However, we won three other trophies that season, the Leatherhead Hospital Shield, the Sutton Hospital Cup, and the Epsom Hospital Cup. In addition, we also won the Sutton & District League, and under the forward-thinking of their visionary Chairman Hugh Bradley, took the step into Intermediate Football, where we won the Southern Suburban League without losing a match. Senior football was granted as we were unanimously accepted into the Surrey Senior League for 1924/25, where we finished third. In September 1925, the club relocated to the old Ewell F.C. ground at West Street, which was purchased through the generosity of our future President Robert Bradshaw. In 1925/26 the Championship of the Surrey Senior League was attained, and the following season, we defeated Egham 1-0 at Egham in the League Charity Cup to complete a League and Cup "double". Election to the London League followed, and the title was claimed in the first attempt in 1927/28. Unfortunately, we were unable to repeat this, instead of finishing runners-up in 1931/32, 1932/33, 1934/35, 1936/37 and 1937/38. Cup Honours were limited, although in 1929 Redhill defeated us 3-2 in front of 4,600 at Guildford in our first Surrey Senior Cup Final, having seen off Wimbledon 4-1 in the semi-final! The thirties were a very successful era, and we won the Surrey Charity (Senior) Shield in 1933 with an impressive 5-0 win over Woking at Kingfield. However, the proudest moment of our pre-war history was an appearance in the First Round Proper of the F.A.Cup in 1933/34. Woking (after a replay), Nunhead, Tooting & Mitcham, Beddington Corner, and Leytonstone were defeated, and a crowd of 9,485 at the Lea Bridge Speedway Stadium witnessed a 4-2 loss against the hosts Clapton Orient. At the end of that season, we changed our name to Epsom F.C. In 1939 a newly formed team, Epsom Town (no connection to the earlier name) shared the ground with Epsom F.C. However, this arrangement was suspended when war was declared, and we folded for the duration. In the meantime, Club Chairman Charles Pettett threw in his lot with Epsom Town in an attempt to boost morale by keeping the football flag flying. It was successful, as that club competed continuously throughout the war years, winning the Surrey Combination in 1939/40, and reaching the Surrey Senior Cup Final in 1944, losing 3-1 to Tooting & Mitcham, at Sandy Lane. After the war, Epsom F.C. restarted, continuing in the London League and reclaimed West Street. Temporary homes were found for Epsom Town while they competed for a season in the newly created Corinthian League, but disbanded in 1946. In 1949 we entered the Corinthian League ourselves, wherein in 1952 we reached the League Memorial Shield Final 1952, going down 2-1 to Champions Hounslow at Eastbourne after leading at half-time. Things improved further with the signing of the former English Amateur International Pat Lynch from Hendon, finishing third in 1952/53, while in 1954 we reached the Surrey Senior Cup Final for the second time in our history, losing unluckily 2-0 to Corinthian Casuals in front of 6,159 at Selhurst Park. In 1955 we won the Surrey Senior Shield with a 1-0 win over Carshalton Athletic at West Street. We appointed our first ever Manager, Kingstonian legend Doug Whitehead in 1955 and the Corinthian League double was almost achieved in 1956/57, but two losses in the final week, along with a 2-0 defeat in the Cup Final to Maidenhead United at Dorking ensured that we ended with neither, finishing fourth. However, in 1960, we finally raised the Shield with a 2-0 revenge win over Maidenhead at Vale Farm, home of Wembley F.C. In 1960 we changed our name once again to Epsom & Ewell F.C. This was not because of any merger with Ewell & Stoneleigh as is often quoted, but was an attempt to increase support across the whole of the Borough. In 1963 the Corinthian League merged with the Athenian and Delphian Leagues, and we were placed in Division One of the new structure, but the sixties were full of poor results and we were

### **EPSOM & EWELL HISTORY CLUB HISTORY CONTINUED**

relegated in 1965. Despite a string of managers, most notably ex-Leyton Orient winger Jimmy Smith, and Tony Williams, now famous for his creation of the F.A. Yearbooks, our fortunes did not improve significantly and further relegations were avoided in the early seventies by the benefit of re-election. However in 1973, despite "improving" to finish second from bottom, the Athenian League ran out of patience and cut us loose. This was unfortunate timing as we had just cleared all of our debts, and in addition to a virtually new Committee, former Fulham player Pat O'Connell had taken over as Manager. The Surrey Senior League took us in at the last minute, and the new squad, including young striker Tommy Tuite, won the League Cup, and the following season, 1974/75 achieved a second Surrey Senior League "double". However, the season would always be remembered for reaching the Final of the inaugural F.A. Vase, where 9,500 saw the Blues edged out 2-1 by Hoddesdon Town at Wembley Stadium. The Athenian League welcomed us back, and promotion was achieved in that first season. In 1976/77 we reached the Athenian League Cup Final, losing 1-0 at Chalfont St Peter. By then, we knew that we had been invited to join the expanding Isthmian League for 1977/78, and were placed in the new Division Two. Our first match under floodlights took place against Met Police in August 1977, and the title was clinched the following April, securing a move to Division One. In 1979/80 we won the Southern Combination Cup 7-2 over Hampton on their pitch, where the opposition was blitzed by five goals from Tuite. The following season a new clubhouse opened at West Street, and we finally won the Surrey Senior Cup in 1981, defeating Woking 2-1 at Tooting & Mitcham, although we just missed out on promotion. O'Connell resigned in 1982, being replaced by Adrian Hill and in 1983/84 we clinched a spot in the Premier Division as runners-up, although this time we missed out in the Surrey Senior Cup, defeated 4-0 by Sutton United in the Final at Imber Court. We survived comfortably in our first season at the Isthmian Premier, but Hill's departure to Croydon in 1985 started a decline. Much of the squad left with Hill, and new Manager Alan Webb had too much to do. We were relegated in 1986, and also in 1987, by now under the Management of Ricky Kidd. Adrian Hill replaced Kidd for a second spell at the helm in 1990, but we were placed in the new Division Three in 1991 in league reorganisation following a finish one position below the required halfway mark. In 1993 a large chapter in our history ended as we left West Street and moved in as tenants of Banstead Athletic. The decade was largely one of frustration, although we did reach the Final of the Associate Members Trophy in 1998, losing 2-0 to Bedford Town at Hendon's old Claremont Road ground. In 2002 Adrian Hill took us back up to the newly created Division 1 South, where we topped the table for a month, eventually finishing 9th, but Hill's retirement at the end of the season led to relegation a year later and then in 2006 we were transferred into the Combined Counties League Premier Division. In October 2006 Lyndon Buckwell, a former player became our new Manager, and in his first full season (2007/08) we were back in the top ten. In 2008/09 we exceeded this achievement and finished in fourth place after heading the table for a few months. In 2009/10 the club recovered from a slow start to finish fifth and also reached the last 32 of the F.A. Vase for the first time in 21 years, bowing out 3-2 in Northamptonshire to Long Buckby. In April of 2010, we terminated our seventeen-year ground-sharing agreement with Banstead Athletic and spent two unspectacular seasons at Merstham F.C. before relocating to High Road, home of Chipstead F.C. for the 2012/13 season, where we would spend eight seasons. The season brought significant playing success as a slow start was followed by a spectacular run of form, including a club record of 12 straight league wins, which put us at the top of the table for over a month, before a tricky run-in resulted in a final position of fifth. However, any disappointment there was tempered by the club's first silverware since 1981 when we defeated South Park 3-0 at Farnborough to win the Combined Counties League Cup. On a sadder note, 2012/13 also marked one thousand games since we left West Street. We carried our form into 2013/14 and led the league with eight straight wins, but couldn't hold on and had to settle for third place, our highest league finish since 1984, but the following September Lyndon Buckwell departed and Glyn Mandeville and new Assistant Matt Smith steered the club to seventh place and improved this to fourth in 2015/16. In the summer of 2016, our club visited France and played a friendly

### **EPSOM & EWELL HISTORY CLUB HISTORY CONTINUED**

against our twin town Chantilly, which was where the England team had been based before their Euro 2016 campaign. The players were able to meet Roy Hodgson and Gary Neville and performed admirably as ambassadors for our town. In 2016/17 we started the season with an incredible 9-2 win at newly-promoted Bedfont & despite trailing 2-0 at halftime and went on to repeat our fourth place finish in the League. In addition, we reached the League Cup Final but were defeated 4-1 by Westfield at Windsor FC. However, in the summer of 2017, we suffered a large player exodus with a substantial number joining local rivals Sutton Common Rovers. Glyn was unable to replace them with enough players of real quality and three-quarters of the season were spent at the foot of the table. His resignation in January 2018 led to the club promoting our Coach Neil Grant into the Manager's role and although he managed to get us off the foot of the table, relegation was always likely and was confirmed in mid-April; not a great way to celebrate our Centenary! The attempts at bouncing straight back did not start particularly well and Grant departed in October. He was replaced by Simon Funnell, who stepped up from his Assistant role and took us to the Division One League Cup Final at Meadowbank. Unfortunately, the new season of 2019/20 started poorly and Funnell resigned at Christmas. His Assistant Sam Morgan was appointed to the role and with his new Assistant Tim Moffatt, they oversaw an undefeated league run that took us up to the abandonment of the season. The 2020/21 season commenced with another ground move, this time to Leatherhead's Fetcham Grove ground, although another seasonal curtailment left us in seventh place and we remained at Step Six, being transferred to the Southern Combination for the new season. In August 2021, Sam Morgan was relieved of his duties after a slow start to the season. Barry Gartell was placed in interim charge while the club searched for a new manager. Barry and his brother Clive managed to get a good run of form under their belts. Winning 4 and drawing 1. Darren Anslow was appointed as our new manager in September 2021 and was immediately impressed with a comfortable 4-0 win against Mile Oak in the FA Vase 2nd Round Qualifying. 2022/23 season saw a complete change at the top with Ex Horley Town manager Anthony Jupp coming in as joint manager alongside Ex Croydon manager Liam Giles along with Ex Horley Town Manager and coach Matt Chapman as coach. Giles left before Christmas and Jupp stepped down before the end of the season. Coach Matt Chapman took over and lead the Club to the Runners up spot. In the play off semi final we drew one one with Selsey before going through in a nail biting penalty shoot out. In the final in front of almost 400 fans in our last game at Leatherhead F.C. We won two one against Wick. We were promoted back to step five. We were also moved across the Non league Pyramid back into the Combined Counties League Premier South. 2023/24 Season The Club also started a new ground share agreement with Cobham F.C. on their brand new 3G pitch. The Club appointed James Scott as manager. He was previously with Balham and Assistant manager at Tonbridge and Margate. James left in October when the Club was bottom of the league and with no wins. He was replaced with Steve Springett as Interim manager Steve left in January and Warren Burton took over as manager. 2024/25 season saw the Club move again this time to King Georges Fields the home of Corinthian Casuals F.C. Warren Burton continued as manager along side coach Glynn Berry. Meanwhile, the search continues for a new ground back in the Borough....

# UP THE SHEERS

# FROM THE DUG OUT

Thank you for joining us today for the match against Epsom & Ewell.

We have had a good run since Christmas considering losing Theo White to a suspension for 3 matches, Kacper Nozka an injury to his knee, Ollie Woolgar an injury to his foot. Also, Roje Grant has moved onto to play at Horsham YMCA. We have still been able to dominate and control games as every player in the squad has stepped up and shown they can match and outwork when playing teams in this league.

Today's test will be tough as we are missing two other vital players in Mekhail McLaughlin and Jake Horn. We will be looking to finish the season strong and to pick up as many points as we can in these last 8 matches.

Enjoy the Day - T J BARBATO

## **MERSTHAM 4-0 SHEERWATER**

### **SURREY SENIOR CUP Tuesday 21<sup>st</sup> January**

After their emphatic 6-1 thrashing of Chipstead last Saturday, Sheerwater visited high flying Merstham of the Isthmian League Division One South East on Tuesday evening in the Surrey Senior Cup.

It was almost a perfect for start for Sheerwater with Kareem Foster through on goal but Allen made a point blank save. A minute later Elliot York shot inches wide from eighteen yards.

Merstham then clicked in to gear and got well on top. A low cross was drilled across the penalty area and was missed by a Sheerwater defender and fell invitingly for Lawal who made no mistake from close range. Another poor goal was conceded on seven minutes when a corner was not cleared and Lawal saw a cross shot turned in by Pointing again from close range. It was 3-0 on twenty-four minutes with Lawal involved again. His cross to the near post was turned in by King. Three poor goals conceded and it was not looking good but credit to Sheerwater who dug in and had their fair share of chances. York twice found space and shot just wide on each occasion. Theo White, playing his final game before a three game ban caught the eye with a great performance, looking dangerous whenever he had the ball and producing good skill rarely giving the ball away. Merstham created chances and in all honesty Fabio Suarez kept the score down with a string of excellent saves.

The fourth and final goal was a beauty on eighty minutes. Lewis drove forward and with defenders backing off he unleashed an unstoppable strike that flew past Suarez. All in all this was a good test for Sheerwater and they definitely worked hard as a team but were beaten by a better team on the night. Points in the league are more important at this stage but it is good to play teams from a higher level to test yourself.

# SHEERWATER v CHIPSTEAD

## **Combined Counties League South Saturday 18<sup>th</sup> January**

### **SHEERWATER 6-1 CHIPSTEAD**

It was six of the best for Sheerwater as they put last week's disappointment behind them and claimed a well earned three points. It was especially pleasing as Theo White was dismissed in first half injury time with the score at 3-1 to come out and score another three goals in the second half.

Changes to the starting eleven saw Callum Mackie replace Roje Grant and top scorer, Harvey Valter came in for Ben Portbury. Sheerwater got off to their usual fast start and Elliot York looked sharp and focused from the off. He was full of running with and without the ball, taking players on at will and getting crosses in. He also shot just wide early on. The opening goal came on fourteen minutes with York involved inevitably. He received a pass from Emanuel Osei and his shot appeared to have been saved by Davenport but it slipped from his grasp and Harvey Valter was on hand to tap home. Two minutes later it was all square and it was a poor goal conceded. A long ball forward was unchallenged and the header across goal was put away by Dixon. This unsettled Sheerwater and Chipstead had a spell on top. They found their rhythm again and Kacper Nozka forced Davenport into a fine save. York and Valter combined to set up White but his effort was too high. The lead was regained on thirty-four minutes. Nozka put in a deep cross which York headed back across goal where Jake Horn timed his run to perfection to finish past Davenport from close range. Chipstead created chances with Suarez making a great save to deny Dixon and another Dixon effort went well wide. The third goal on forty minutes was a combination between the two wide players. White went past a couple of challenges down the right and crossed for Nozka who finished left footed on the volley. In injury time White made a high and risky challenge on halfway and caught the visiting player. The referee gave himself plenty of thinking time and eventually produced the red card.

A two goal cushion to take into the second half gave Sheerwater something to hold on to with the expected onslaught to come from Chipstead. However, within four minutes York made it 4-1. Valter played the ball out to him and he twisted and turned in the area before finding the bottom corner giving Davenport no chance. Chipstead plugged away and had shots but they were from distance with no clear cut chances created. The back four of George Mackie, Liam Avery, Mekhail McLaughlin and Callum Mackie were on top of their game. Another impressive display off the bench by Harry Newbould was rewarded with his first goal for the club. York saw his twenty-five yard free-kick smash against the bar and Newbould stroked home the rebound with a cool finish on his right foot. Valter got his second to complete the scoring on seventy-five minutes. Newbould played him through on the left and he went through and produced a classy finish finding the corner. Newbould was again involved when he put a delightful cross into the path of Byrun Mitchell but Davenport blocked his effort. Mitchell then tested Davenport who made a fine save turning the effort against the post and out for a corner.

Manager, TJ Barbato was delighted with his team's overall performance and wants to push on now and claim as many points as possible between now and the end of the season.

### **KNAPHILL 0-0 SHEERWATER**

Sheerwater made the short visit to Redding Way for the local derby with Knaphill. Despite a good first fifteen minutes from the hosts, The Sheers dominated thereafter and with such a one sided affair it was hugely disappointing not to come away with three points. Wave upon wave of attacks were not rewarded with most of the chances close but off target with Gray, the Knaphill keeper not properly tested. The flair that was missing from the Sheerwater line up may have seen more composure in front of goal but Theo White (suspended) and Kacper Nozka (injured) were absent.

Knaphill were upbeat from the off and attacked with purpose but were caught offside a few times and Mekhail McLaughlin and Liam Avery were commanding in the centre of defence. Murdoch, who has a good goal-scoring record against Sheerwater saw a shot from eighteen yards go just over. A couple of corners were dealt with and Fabio Suarez came and gathered under pressure. As the early pace settled Sheerwater got on top and took control. Byran Mitchell was set up by Elliot York that Byran shot across the goal beating the Knappers keeper Gray but the effort went inches wide. Elliot York fired an effort across goal beating Gray but it was just wide. Harvey Valter got through in the same position and his effort also beat Gray but went just wide. Kareem Foster found space and shot on target which Gray got behind and held. Byran Mitchell was causing problems with some direct play and he was upended just outside the area. York powered the free-kick at goal but the wall did its job to block. The best chance came when a quick break saw Mitchell and Foster through on goal. Mitchell saw his effort blocked by Gray and the rebound fell for Foster who shot on target but Stanic-Stewart got across to divert the ball for a corner. Knaphill picked up two quick cautions when Glover and Jakubowski both scythed York down within four minutes of each other. With the last kick of the half Valter held off a challenge and fired hard and low but agonisingly saw the ball beat Gray but come back off the post.

The second half saw Sheerwater again on top as Knaphill struggled to get anything going and frustrations grew. Sheerwater remained cool and pressed forward and controlled the tempo. Credit to Knaphill's defensive shape as they got blocks in and men behind the ball. Regular shots came in from Sheerwater but Gray wasn't seriously tested as the target was missed. Valter was a handful and saw a searing effort fly just wide. York had a free-kick from twenty-five yards but again the wall stood firm and blocked. Foster put a great cross across the six-yard box and York was inches away from connecting. Knaphill substitute Frith was cautioned on the hour for a cowardly tackle from behind on Avery. A more experienced Referee may have given a red card. Kamara went into the book for another poor foul and when another late challenge enraged Sheerwater and Jake Horn let the Referee know and was promptly sin binned for ten minutes. This upset the flow slightly but Knaphill didn't create anything and Sheerwater finished the stronger. Kamara made a poor tackle from behind on eighty minutes but the Referee failed to issue a second yellow card. Knaphill substituted him a minute later. Glover then screamed at the Referee on eighty-two showing obvious dissent. The Referee failed to issue a yellow card and sin bin him as he had for Sheerwater's Horn. Foster curled an effort from twenty yards but it was off target. Substitute, George Mackie saw a looping effort go just over and York had the final chance hitting a cross cum-shot that had Gray worried but the ball went just the other side of the post. Considering the pressure Sheerwater mounted over the ninety minutes it was disappointing to come away with just a point. It was good to see Matt Bryant back in the starting line-up and he kept ex Sheerwater man, George Sellick very quiet on the day. Callum Mackie also had a fine game at left-back both defensively and getting forward. Congratulations to Knaphill who continue to hold on to the Dave Taylor Shield and it was good to see Danny and Timmy Taylor in attendance. The attendance was 137

# COMBINED COUNTIES LEAGUE

## BRIEF HISTORY

The Combined Counties League can trace its existence back to 1922 when the Surrey Senior League was formed. The present title was not adopted until 1979. The first champions in 1922-23 were Egham, with Carshalton Athletic as runners-up.

Farnham United Breweries were champions twice and runners-up twice to Epsom Town between 1923-27. Camberley & Yorktown were the first club to record a hat-trick of championship wins between 1930-33. The Second World War brought the Surrey Senior League to a close between 1939-46. After the war newcomers to league in 1946-47 included Chertsey Town, Devas Institute, Lagonda Sports, who after several name changes became Petters Sports, Leatherhead and Worcester Park. Leatherhead took the league by storm winning the championship four times between 1946-50.

After finishing second in 1949-50 Banstead Athletic took over the role as most consistent club. They were champions the next four seasons and never finished lower than second between 1949-59.

In the 1960's a number of sides switched to the Spartan League they included Molesey, Chertsey Town, Addlestone, Hampton, Banstead Athletic and Feltham. Most of these clubs had previously won the Surrey Senior League championship at least once. In 1968-69 a second division was formed which was known as Division One, with the original league becoming the Premier Division. As the majority of clubs forming Division One were junior sides there was no automatic promotion and relegation between the divisions. After three seasons Division One was disbanded and the league continued as before.

Early in the 1970's Farnham Town and Farnborough Town joined the Spartan League. In an attempt to attract clubs from outside the county, the Surrey Senior League was renamed the Home Counties League in 1978-79. However there were objections to the new title and the current title, Combined Counties League was adopted for the 1979-80 season.

In 1981-82 the league was split into East and West sections, with Ash United beating Malden Town in the play-off. Since 1982 the league has reverted back to one division. The Combined Counties league reached an agreement to become a feeder league for the Isthmian League, whilst at the bottom end of the league, arrangements had been made to accept clubs from the Surrey Premier at the expense of the bottom club.

The 1990's saw the Combined Counties league get stronger with the acceptance of a number of sides from Isthmian and Spartan leagues. Clubs have also been accepted from the old Chiltonian League which no longer exists. The new millennium has seen the league spreading its net further and further with clubs from Oxon and Sussex joining the ranks. The Combined Counties is certainly living up to its name.

For the 2002/03 season AFC Wimbledon joined the league. The new club, having only being formed a month or two earlier put fresh life into the league with an enthusiasm never seen before. Wherever they played they set new club attendance records bringing much needed finances to every club.

Season 2003/04 saw yet another development to the league with the amalgamation of the Surrey Premier league. This made the Combined Counties a much stronger force with a total of 42 member clubs and now with two senior divisions.

Season 2006/07 saw a major restructuring of the league with a number of new clubs from the now defunct Ryman's second division being accepted and a number of clubs being relegated from the league.

2011/12 saw the first non-mainland side join the league, when Guernsey were elected to the 1st Division.

Season 2018/19 witnessed Chertsey Town becoming the first ever CCL team to win the F.A. Vase at Wembley.

Seasons 2019/20 & 2020/21 saw the leagues being terminated due to the Covid-19 virus. Although, the 2020/21 cup competitions were completed.

Season 2021/22 sees a major change to the CCL with the Premier division being split in to two regional North and South divisions.
