SECRETARYS NOTES

Good evening and welcome to Addlestone Moor, home of Abbey Rangers Football Club. This evening we give a warm welcome to the players, officials and supporters of Epsom & Ewell Football Club and hope they enjoy their brief stay with us.

After 5 weeks and 5 away games we finally return to league action at The Moor. Its been a bit of a rollercoaster in that time but we still remain in the play off spots after 50% of the games. played One of those games was an away game against todays opponents that ended 1-1. A David Orisatoki header cancelling out Epsoms 1st half opener.

We come into this on the back of a niggly 2-1 win at Horley Town Saturday although we managed to play some decent football on a heavy pitch and maybe we could have come away with a more comfortable win but goals from Danilo Cadete and Dan Bone were enough to secure the points.

We exited the Southern Combination Cup last week going down 2-4 to Camberley Town. We weren't at our best but credit to Camberley who really put us to the sword.

We still await our opponents in the Premier Cup 3rd round but that will be clearer later tonight as Alton & Reading City play..

Saturday we are back on the road again as we visit Camberley Town and we are home again Tuesday night when Tadley Calleva are the visitors

Enjoy the game **UTA**

ABBEY RANGERS FOOTBALL CLUB

Abbey Rangers was founded in 1976 initially to provide football for the boys of Addlestone and Chertsey. The club led a rather nomadic existence in its formative years before finally setting up home at our current grounds, a 14-acre site at Addlestone Moor, formerly The Meads school fields, in 1984 with a single portacabin used as our clubhouse. As the club has grown over that time, the grounds have grown with it. The current clubhouse was opened in 2008 by Trevor Brooking. We also obtained the required ground grading to take the club into the national league system in 2015. In 2019 we were proud to open our 3G pitch which has proved invaluable to the functioning of the club.

On the football side we came from humble beginnings under the stewardship of Les Chatfield & Bob Thorpe and made rapid progress through the leagues. Starting in the Surrey & Hants Border Sunday League the team moved to Saturdays and rapidly progressed through the Guildford & Working league, Surrey Intermediate and Surrey Elite Leagues before taking our place in the Combined Counties League in 2015.

We exceeded our expectations in that 2015-16 season finishing in 3rd place in the CCL division 1 and gaining promotion to the Premier Division. We also entered the FA Vase for the 1st time and progressed to the 2nd round proper before losing out to Newport (IW) in extra time. The following season saw us finish a creditable 10th place in the Premier Division and going a round further in the FA Vase losing out to Eastbourne Town. We also took our place in the FA Cup for the 1st time losing out 3-1 to Thame United.

2016-17 saw Les hand the reins over to their coaches Mike Woolgar and Paul Johnson. 2018-19 saw us return our best season at senior level. Last 16 of the FA Vase, losing out to the eventual finalists Cray Valley, 3rd place in the CCL Premier Division and a semi-final defeat to CB Hounslow in the Premier Cup. Season 2019-20 saw us win our 1st FA Cup tie defeating Loxwood after a replay which set us on a run that saw us defeat step 4 teams East Grinstead Town and Whitehawk on route to the 3rd qualifying round where we lost out to Whyteleafe. Season 2021-22 saw us just fall short of a play-off spot losing out to Southall. The next couple of seasons saw us competing at the top end of the CCL and had the playoffs been brought in earlier we would have been part of it on more than one occasion.

2024-25 saw a change in management as Adam Bessent took over the reins assisted by his brother Jake finishing their 1st season comfortably in mid table and runners up in the Southern Combination Challenge Cup with a completely rebuilt squad.,

SEASON**

WELCOME TO EPSOM & EWELL

We were founded in March 1918 as Epsom Juniors Cricket Club and played throughout the summer. In the autumn, Epsom Juniors F.C. came into being and played a handful of games from what is now known as Alexandra Recreation Ground. Competitive football followed as we entered the Surrey Junior League in 1919, and became founder members of the Sutton & District League in 1920. A change of name in July 1922 to Epsom Town F.C. heralded the start of a very successful era. By now resident at the Horton Hospital Sports Ground, we were unfortunate to lose 2-1 after extra time at Dorking F.C.'s Pixham Lane ground to Caterham Mental Hospital in a replay of the Surrey Junior Cup Final. However, we won three other trophies that season, the Leatherhead Hospital Shield, the Sutton Hospital Cup, and the Epsom Hospital Cup. In addition, we also won the Sutton & District League, and under the forward-thinking of their visionary Chairman Hugh Bradley, took the step into Intermediate Football, where we won the Southern Suburban League without losing a match. Senior football was granted as we were unanimously accepted into the Surrey Senior League for 1924/25, where we finished third. In September 1925, the club relocated to the old Ewell F.C. ground at West Street, which was purchased through the generosity of our future President Robert Bradshaw. In 1925/26 the Championship of the Surrey Senior League was attained, and the following season, we defeated Egham 1-0 at Egham in the League Charity Cup to complete a League and Cup "double". Election to the London League followed, and the title was claimed in the first attempt in 1927/28. Unfortunately, we were unable to repeat this, instead of finishing runners-up in 1931/32, 1932/33, 1934/35, 1936/37 and 1937/38. Cup Honours were limited, although in 1929 Redhill defeated us 3-2 in front of 4,600 at Guildford in our first Surrey Senior Cup Final, having seen off Wimbledon 4-1 in the semi-final! The thirties were a very successful era, and we won the Surrey Charity (Senior) Shield in 1933 with an impressive 5-0 win over Woking at Kingfield. However, the proudest moment of our pre-war history was an appearance

in the First Round Proper of the F.A. Cup in 1933/34. Woking (after a replay), Nunhead, Tooting & Mitcham, Beddington Corner, and Leytonstone were defeated, and a crowd of 9,485 at the Lea Bridge Speedway Stadium witnessed a 4-2 loss against the hosts Clapton Orient. At the end of that season, we changed our name to Epsom F.C. In 1939 a newly formed team, Epsom Town (no connection to the earlier name) shared the ground with Epsom F.C. However, this arrangement was suspended when war was declared, and we folded for the duration. In the meantime, Club Chairman Charles Pettett threw in his lot with Epsom Town in an attempt to boost morale by keeping the football flag flying. It was successful, as that club competed continuously throughout the war years, winning the Surrey Combination in 1939/40, and reaching the Surrey Senior Cup Final in 1944, losing 3-1 to Tooting & Mitcham, at Sandy Lane. After the war, Epsom F.C. restarted, continuing in the London League and reclaimed West Street. Temporary homes were found for Epsom Town while they competed for a season in the newly created Corinthian League, but disbanded in 1946. In 1949 we entered the Corinthian League ourselves, wherein in 1952 we reached the League Memorial Shield Final 1952, going down 2-1 to Champions Hounslow at Eastbourne after leading at half-time. Things improved further with the signing of the former English Amateur International Pat Lynch from Hendon, finishing third in 1952/53, while in 1954 we reached the Surrey Senior Cup Final for the second time in our history, losing unluckily 2-0 to Corinthian Casuals in front of 6,159 at Selhurst Park. In 1955 we won the Surrey Senior Shield with a 1-0 win over Carshalton Athletic at West Street. We appointed our first ever Manager, Kingstonian legend Doug Whitehead in 1955 and the Corinthian League double was almost achieved in 1956/57, but two losses in the final week, along with a 2-0 defeat in the Cup Final to Maidenhead United at Dorking ensured that we ended with neither, finishing fourth. However, in 1960, we finally raised the Shield with a 2-0 revenge win over Maidenhead at Vale Farm, home of Wembley F.C.

WELCOME TO EPSOM & EWELL

In 1960 we changed our name once again to Epsom & Ewell F.C. This was not because of any merger with Ewell & Stoneleigh as is often quoted, but was an attempt to increase support across the whole of the Borough. In 1963 the Corinthian League merged with the Athenian and Delphian Leagues, and we were placed in Division One of the new structure, but the sixties were full of poor results and we were relegated in 1965. Despite a string of managers, most notably ex-Leyton Orient winger Jimmy Smith, and Tony Williams, now famous for his creation of the F.A. Yearbooks, our fortunes did not improve significantly and further relegations were avoided in the early seventies by the benefit of re-election. However in 1973, despite "improving" to finish second from bottom, the Athenian League ran out of patience and cut us loose. This was unfortunate timing as we had just cleared all of our debts, and in addition to a virtually new Committee, former Fulham player Pat O'Connell had taken over as Manager. The Surrey Senior League took us in at the last minute, and the new squad, including young striker Tommy Tuite, won the League Cup, and the following season, 1974/75 achieved a second Surrey Senior League "double". However, the season would always be remembered for reaching the Final of the inaugural F.A. Vase, where 9,500 saw the Blues edged out 2-1 by Hoddesdon Town at Wembley Stadium. The Athenian League welcomed us back, and promotion was achieved in that first season. In 1976/77 we reached the Athenian League Cup Final, losing 1-0 at Chalfont St Peter. By then, we knew that we had been invited to join the expanding Isthmian League for 1977/78, and were placed in the new Division Two. Our first match under floodlights took place against Met Police in August 1977, and the title was clinched the following April, securing a move to Division One. In 1979/80 we won the Southern Combination Cup 7-2 over Hampton on their pitch, where the opposition was blitzed by five goals from Tuite. The following season a new clubhouse opened at West Street, and we finally won the Surrey Senior Cup in 1981, defeating Woking 2-1 at Tooting & Mitcham, although we just missed out on promotion. O'Connell resigned in 1982, being replaced by Adrian Hill and in 1983/84 we clinched a spot in the Premier Division as runners-up, although this time we missed out in the Surrey Senior Cup, defeated 4-0 by Sutton United in the Final at Imber Court. We survived comfortably in our first season at the Isthmian Premier, but Hill's departure to Croydon in 1985 started a decline. Much of the squad left with Hill, and new Manager Alan Webb had too much to do. We were relegated in 1986, and also in 1987, by now under the Management of Ricky Kidd. Adrian Hill replaced Kidd for a second spell at the helm in 1990, but we were placed in the new Division Three in 1991 in league reorganisation following a finish one position below the required halfway mark. In 1993 a large chapter in our history ended as we left West Street and moved in as tenants of Banstead Athletic. The decade was largely one of frustration, although we did reach the Final of the Associate Members Trophy in 1998, losing 2-0 to Bedford Town at Hendon's old Claremont Road ground. In 2002 Adrian Hill took us back up to the newly created Division 1 South, where we topped the table for a month, eventually finishing 9th, but Hill's retirement at the end of the season led to relegation a year later and then in 2006 we were transferred into the Combined Counties League Premier Division. In October 2006 Lyndon Buckwell, a former player became our new Manager, and in his first full season (2007/08) we were back in the top ten. In 2008/09 we exceeded this achievement and finished in fourth place after heading the table for a few months. In 2009/10 the club recovered from a slow start to finish fifth and also reached the last 32 of the F.A. Vase for the first time in 21 years, bowing out 3-2 in Northamptonshire to Long Buckby. In April of 2010, we terminated our seventeen-year ground-sharing agreement with Banstead Athletic and spent two unspectacular seasons at Merstham F.C. before relocating to High Road, home of Chipstead F.C. for the 2012/13 season, where we would spend eight seasons. The season brought significant playing success as a slow start was followed by a spectacular run of form, including a club record of 12 straight league wins, which put us at the top of the table for over a month, before a tricky run-in resulted in a final position of fifth.

We welcome a new management team this season. Simon Lawrance has stepped up from the under 18s to take the managers role assisted by Mark & Kavanagh Keadell both of whom were coaching the 18s. Good luck to them in their new roles

The draw for the Mike Bidmead Cup has been made and has paired us with an away tie with Brook House. Date to be confirmed. The winners will host the victors of the tie between Alton and Aldershot Town .

[illegible]

THE GAZZER

Good evening everyone and welcome to The Moor. I hope our match officials and all associated with Epsom & Ewell enjoy their short stay with us.

We finally return to league action here after 5 weeks on our travels. All tight games and 7 points from the 5 games isn't the greatest return but the last 2 games have been good performances and wins for different reasons. We got off to a fast start at Thatcham and finally took our early chances, dominated proceedings for majority of the game and capped it off with a clean sheet.

Horley on Saturday has got to be one of our best wins of the season. They were second in the form table, off the back of 4 wins on the bounce against good sides. Everyone was taken by surprise it was actually on considering the weather, the pitch was incredibly soft and we had to mix it up a bit. To come back and win after trailing at half time showed a lot of bottle, the lads took on instructions well and won their individual battles all over the pitch. Danilo and new signing Boney on the scoresheet again. Last minute winners

Tonight will be another difficult test as we continue this run to Christmas. We got a point at Epsom 4 weeks ago but one of them days where it should have been all 3. Hopefully, the boys can deliver that tonight.

Thanks for the support, enjoy the game.

ONE MAN AND HIS NOTEBOOK

Data analytics in football seems to be a relatively new phenomenon. In the last few years, metrics like expected goals, expected points, and ppda (don't ask) have started creeping not only into the data departments of big and small clubs, but into the changing rooms and, more and more, onto our tv screens to explain who is performing well regardless of the scoreline or the points on the board. But data analysis goes back nearly eighty years, to a period just after the Second World War, and to a man called Charles Reep. An accountant by trade, Reep changed the way we watch the game, and influenced the style of British football for decades.

Reep was born in 1904, and joined the RAF out of school, when he was posted to Henlow. It was here that his desire for data first flickered into life. An avid watcher of Arsenal (as his now local side, despite being a Plymouth fan), he was fascinated when Arsenal captain Charles Jones visited the base to give a series of lectures on the genius of Herbert Chapman. He was sent to Iraq in 1936 and took charge of the RAF team on the base, implementing the ideals he had learned from Jones before the war called his attention to more important matters.

He was posted to Wiltshire in 1947, and started watching Swindon. It was the County Ground where he would first begin watching football analytically. Frustrated by the lack of goals in the Swindon team, at half time in one match in 1950, he pulled out a notepad and pencil, and started recording what he saw. It was an obsession that would follow him for the rest of this life.

Reep determined that most goals came from moves of fewer than four passes, which indicated that the quicker the ball was played up to the forwards, the better. This became the 'three pass rule', and fit with what he had learned from Charles Jones' lectures and Herbert Chapman's style, getting the ball out to wingers as quickly as possible, and the wingers whipping balls into the box. It seems rudimentary today, but in 1950, nobody had ever tracked this kind of data before. Brentford, struggling against relegation, heard of this strange man watching football with a notepad, and hired him as an advisor. Implementing his recommendations, they won 20 points from their final 28 available, avoiding the drop and seemingly proving Reep right.

Brentford was all well and good, but Reep needed a giant of the English game to really test his theories. When he was posted to the Midlands, he contacted 1949 FA Cup winners Wolverhampton Wanderers, and Stan Cullis, always seeking an additional edge, was happy to talk to him. Wolves scored 25 goals in the seven matches following Reep's arrival, as the stats man increased the amount he was collecting, tracking almost 2000 points of data.

Wolves faded to third in 1953, but stormed to the title in 1954. But he was never officially employed by Wolves, so when a job was offered by Sheffield Wednesday he moved to Yorkshire. His data helped the Owls secure promotion, but in 1956 he left the club when the manager was sacked. He moved around the lower leagues, before settling into a career as an accountant.

Reep's reputation suffered as the years wore on. He was regarded as a long-ball merchant, whose ideas were rudimentary at best. His three-pass rule, technically accurate, missed some key data points and was adopted in the most basic style by managers in the middle of

The twentieth century. It would have been a fair analysis, given he was the very first person to study the game in this way, but it wasn't quite true despite the way his methods were adopted.

Reep actually had data on very specific positions that different players on the pitch should take up - something reminiscent of the level of detail Tiki-Taka brings to the game - and his strongest belief was that teams should win the balls as high up the pitch as possible - the founding principle of Gegenpressing. In his later years, he even started to talk of the positives of possession-based play, while watching Arrigo Sacchi's success in Serie A.

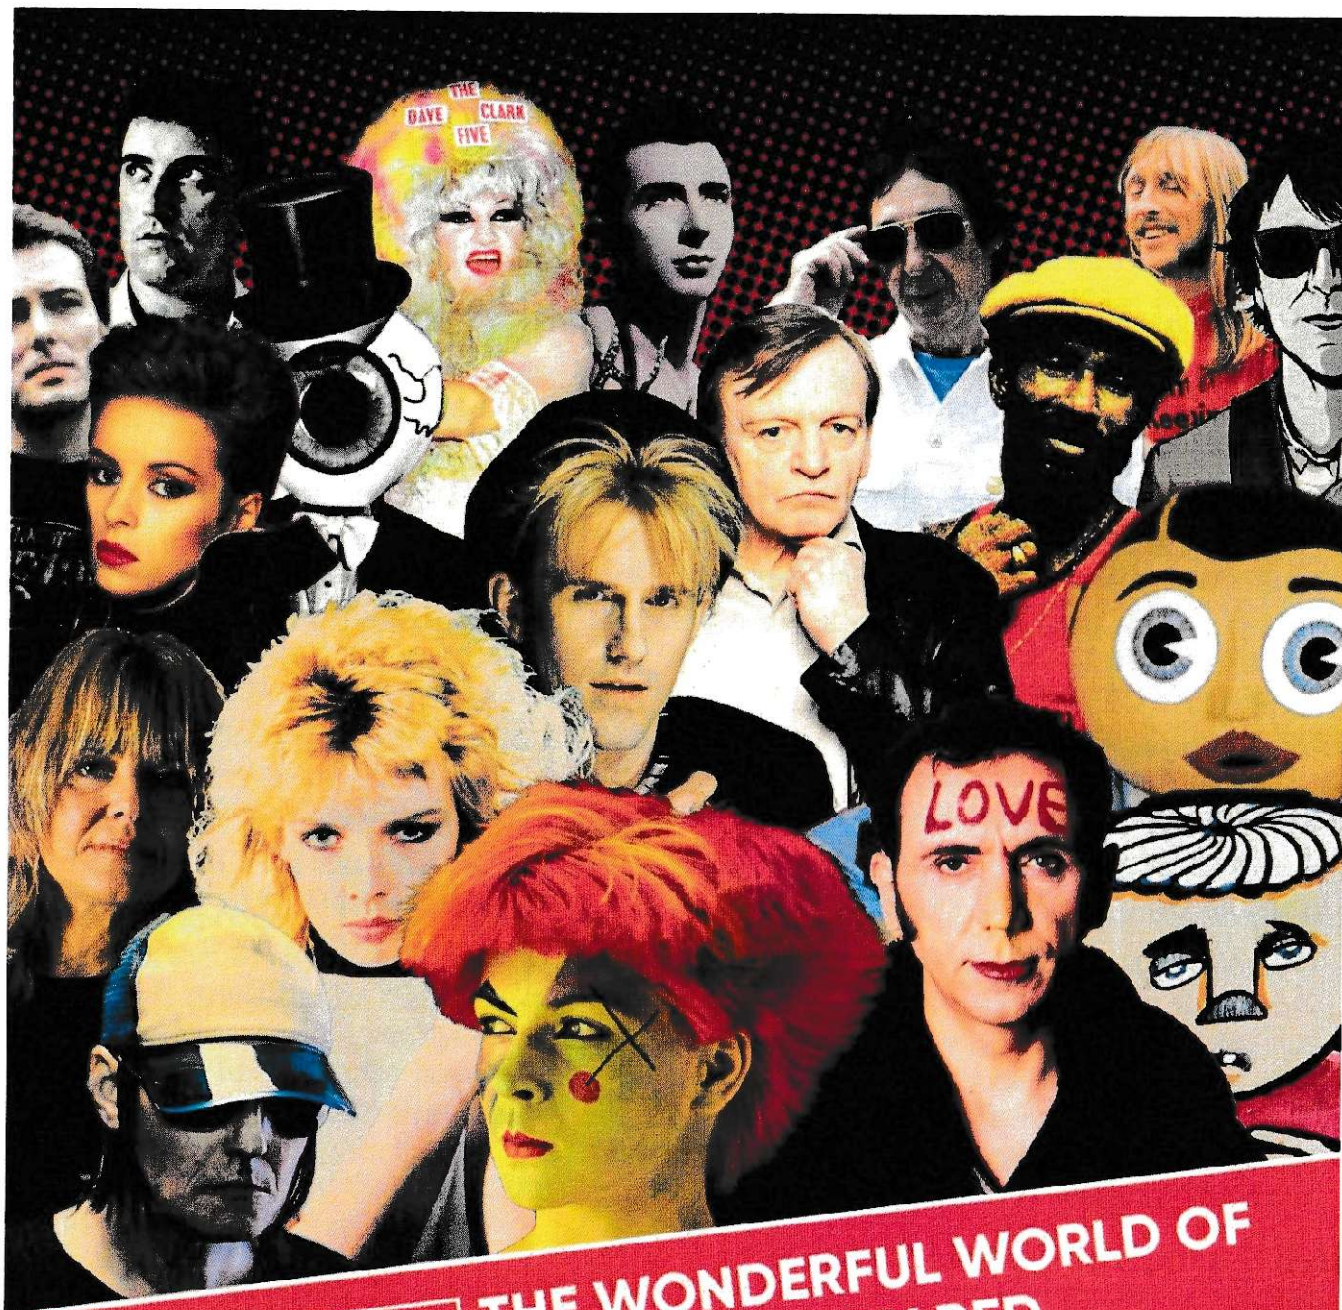

Reep's last act in football was to cost the country of his birth. England needed a win to qualify for the World Cup in 1994, against Norway. But it was the Norwegians who sought the advice of England's first data analyst. Egil Olsen flew to Devon to meet Reep, and adopted a direct style in the match that lost England their place at the finals.

Reep died in 2002 at the age of 97, his reputation mixed. But his methods, whatever his conclusions, were revolutionary when he started, and the style of football they encouraged - right or wrong - dominated the British game for half a century. For all the money that is poured into analytics today - for both positive and negative impacts on the game - it all started with one man, frustrated with the boring game he was watching. We've all been there, we just didn't have a notebook.

Enjoy the game.

so greene

Abbey Rangers FC 1st Team is proudly sponsored by So Greene – where managing your waste ensures a greener future.

<https://www.sogreene.com>

At So Greene, the unwavering commitment to sustainability is matched only by the dedication to exceptional service delivery. With nearly a decade of industry expertise they have emerged as specialists in comprehensive waste management specifically tailored to the FM and hospitality sectors.

Abbey Rangers is proud to partner with So Greene as our waste management provider – a core aspect of the ARFC Sustainability Strategy. Abbey is focused on key issues such as eliminating single-use plastics, reusing products wherever possible, and recycling to minimise landfill waste. With So Greene as partners and our alignment on high standards and long-term results, we are on-track to achieve our targets.

The "So Greene Promise": a journey of sustainability, environmental responsibility, and a greener future.
