# From the Clubhouse

**Good evening and welcome we welcome back the Baggies for our rearranged game that was cancelled at half time on the 22<sup>nd</sup> November. So welcome back to Chalky Lane to Adam and his squad and their committee and supporters.**

**After Saturday game let's hope we can get back to becoming the draw specialist as a minimum. On reflection of Saturday the scoreline, was not as bad as we could have been with Cobham banging 5 past Chipstead, Tadley, Camberley and Sheerwater, then 6 past Eversley and 8 past Balham!**

Friendship goes along way!

Good luck to Cobham who must be the favourites to win the league surely they could not do an Arsenal.

On to the game, the guide form is a bit even in the last 6 games with the Salts edging it with 2 points more but the -2 goal difference for both teams suggest a draw, I understand a certain young Roan Strong pulled some fantastic saves in the last game.

Half price players sponsorship and membership are still up for grabs please contact Darren and Gemma if you are interested.

If I get home early tomorrow, I will be making curried parsnip soup, if you have any preference for future soups please let Donna or Layla know and I will try and cook something up!

Enjoy the game and festive period.

**Tonight we welcome you all back to Chalky Lane to host Badshot off the back of a tough loss to table toppers Cobham.**

**Hoping we can get through 90 minutes this time, we look forward to changing the results around after Saturday and start putting points on the board like we have done recently and put the Cobham game behind us. We started off well, but unfortunately lost Shane Dunne to a knee injury. Wishing him a speedy recovery. Despite our efforts, Cobham won comfortably as you would expect from a table topping side, and ended 4-0.**

In reverse, our game against Badshot the first time round when it got abandoned, we demonstrated unreal amounts of quality up until the first half, which the only thing separating us was an outstanding goalkeeper performance from them, from us knocking on the door several times.

Our efforts proved to be cut short by the persistent rain and now we replay the original fixture tonight. Let's get those three points!

Up The Salts!

# Welcome to Badshot Lea

Founded in 1904, Badshot Lea Football Club began life as a village side based in the Surrey village of Badshot Lea. Records indicate that the club was formed following a meeting at the local village hall and initially played only friendly matches before formally affiliating to the Surrey County Football Association in 1907. From its modest origins the club gradually progressed: local leagues, Sunday fixtures, and a deepening community link.

## **Early decades**

In the years through to the mid-20th century, Badshot Lea competed in the local junior and intermediate leagues. The club's first major successes came in the Surrey Intermediate League, where it won Division One in consecutive seasons, 1936-37 and 1937-38. These were formative years: establishing the club's competitive credentials, building a local following, and creating the culture that still underpins the club today.

## **A period of consolidation**

For many years the club remained within the intermediate and local leagues, rooted in its community. It wasn't until 1978 that Badshot Lea achieved promotion to the Surrey Intermediate League Western and then progressed through the divisions over the following years. In 1986 the club reached the Surrey Premier League but, despite a strong points-total, the side was relegated after just one season—a reminder of how fiercely competitive non-league football can be.

During this era the club also achieved cup success: the Challenge Cup in 1987-88, the Invitation Cup in 1989-90, the Division Two title in 1992-93, and a second Challenge Cup win in 2000-01. (Though the league hierarchy remained modest, these accomplishments reflected a healthy, ambitious club.

## **Stepping up into senior football**

The big leap for Badshot Lea came in 2002-03—when the club moved into senior football by joining the Hellenic League Division One East. This move was not without turmoil: the Football Association initially attempted to block the transfer, but the club's committee and the Hellenic League persevered and secured approval.

In 2005-06 Badshot Lea won the Supplementary Cup in the Hellenic League, and the following season (2006-07) they finished third and were promoted to the Hellenic Premier Division. After one season at that level, they were transferred to the Premier Division of the Combined Counties League in 2008-09.

# Welcome to Badshot Lea

## **Modern era: ground changes and promotion**

At this point the club's long-absent ideal of a settled home began to crystallise. Until 2007 Badshot Lea played at the Badshot Lea Recreation Ground, but ground-grading rules forced them to leave. The following years saw a 'nomadic' existence: ground-shares with clubs such as Godalming Town FC, Ash United FC and Camberley Town FC.

In 2017-18 the club played at Camberley while their new ground was under construction at Westfield Lane in neighbouring Wrecclesham. In July 2019 Badshot Lea finally moved into their long-awaited home at Westfield Lane and hosted a friendly against Aldershot Town FC to mark the occasion.

On the pitch, the club continued to climb the non-league ladder. In the 2022-23 season Badshot Lea were runners-up in the Combined Counties Premier Division South and were promoted to the Isthmian League South Central Division as one of the highest-ranked runners-up across the Step 5 divisions.

## **Club ethos and community**

Throughout its history Badshot Lea has remained a community-based club, grounded in the village ethos of Badshot Lea and the surrounding area. The expansion of youth teams and a colts' section in the late 1990s underpins its commitment to nurturing local talent. The move to Westfield Lane provided a stable base for the first team, but also a platform for broader club growth: youth, ladies & girls' sides, facilities and community engagement.

## **Looking ahead**

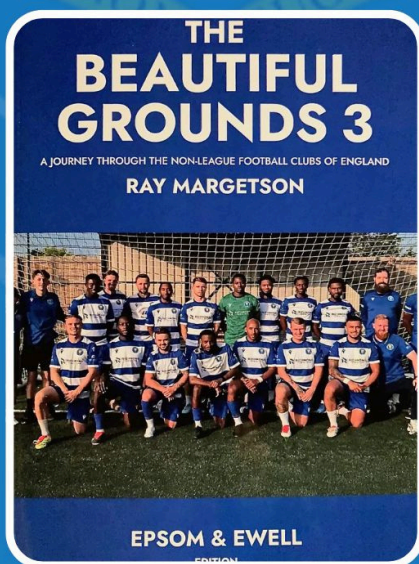

As Badshot Lea enters its 120th year (1904-2024) the club stands at an exciting juncture: settled at Westfield Lane, competing at higher levels of non-league football, and still valuing its grassroots roots. Whether it's cup runs, league promotion battles or the development of young players through the ranks, the club's ambition remains bright.

Supporters walking through the turnstiles today might reflect on how far the club has travelled—from village friendly matches more than a century ago to Step 4 league football, a modern home ground and big-match aspirations. But the spirit remains the same: local lads, local supporters, a shared goal of sporting excellence.

## Round up from the Combined Counties League

Let me begin by just tying up the two league fixtures that were played last week. Abbey Rangers moved into second spot after a 1-0 win over Tadley Calleva and bottom of the table Guildford City lost once again at home in a fairly local derby 1-0 against Alton and so remain rooted to the bottom of the table.

Now turning to this weekend's fixtures. Cobham FC's inexorable march to the title continued after their 4-0 victory against us. They are thirteen points clear and still have two games in hand over three of the current play off contenders. Abbey Rangers who started the day in second place were unable to play as their game away at Fleet Town was postponed due to the home dressing rooms ceiling had fallen in due to the recent rain. Second spot was taken by Knaphill who won 1-0 at Camberley Town; the Knaphill manager did quote after the match that the 'highlight reel for this match would not be very long'!! So Abbey Rangers have slipped to third position with Tooting & Mitcham in fourth place after succumbing to a 91st minute equaliser at Horley Town. The last remaining play off place is with Redhill who beat Sutton Common Rovers at Kilnbrow in front of just over 500 spectators.

Even after losing 4-0 to the league leaders we remain in 13th place as the only winners below us were Thatcham Town who trounced 10 man Chipstead 6-0 and after this victory Thatcham Town were replaced in 19th place by Balham who lost 1-0 at Badshot Lea. Guildford lost once again at Tadley Calleva and are now 11 points from safety and have played the most games of any teams in our division at 24, so only have 14 games to go.

I mentioned in my last notes that I would follow Boreham Wood FC who were the victors over the team (Eastbourne Borough) that beat us in the competition this season. They won 3-0 at home against Newport County live on BBC2 and have been rewarded with another home tie in the 3rd round against Burton Albion on the 9th January; it is a great pity they did not draw one of the 'big boys' in this round, but you may remember that they got to the 4th round two years ago - good luck

In the third round of the FA Trophy our near neighbours Leatherhead FC, won against Harrow Borough 3-2 in front of nearly 900 spectators to progress to the last 32 of that competition; we wish them well in the next round.

It is a few weeks since I reported on our Landlords here at Chessington & Hook and how they are doing in their division. Unfortunately, after a hard fought victory a few weeks ago, the results have not gone in their favour and once again they lost away at Staplehurst Monarchs 2-1 yesterday to remain bottom of the Southern Counties Eastern Football League Division 1 on only 5 points and are now 9 points from safety.

**The Salts suffered their heaviest home defeat of the season, going down 4-0 to league-leading Cobham. With the visitors already 13 points clear at the top with games in hand, this was always going to be a tough afternoon, but a flat performance made it all too comfortable for them in front of 101 spectators.**

Injuries and suspensions again forced changes. Sami Nabbad returned in goal, Shane Dunne came into midfield, with Adam Green dropping into defence for the suspended Antonios Nazareth. Callum O'Keefe replaced Jason Bloor, Filip Ksiazd came in for Andrew Herring and Karl Bailey replaced Ali Fofahan.

There was early encouragement when Luis Oliveira reached the byline in the second minute but was crowded out by three defenders. Cobham soon settled and created the first real chance through Marklew, before Nabbad made a couple of diving saves. However, after losing Dunne to a knee injury on 15 minutes, our midfield control suffered and Cobham took advantage. On 17 minutes, a move down their left ended with Rule's cross being met by the unmarked Marklew, who finished easily. 0-1.

Cobham continued to dictate play and Marklew missed a one-on-one before we briefly threatened through a free kick, which came to nothing. On 36 minutes, a harmless-looking free kick from outside the box rolled under Nabbad and into the net, doubling Cobham's lead. 0-2 at half-time flattered us.

A response was needed after the break, but Cobham maintained the pressure and a third goal felt inevitable. It arrived on 62 minutes when a risky attempt to play out from the back was intercepted by Rule, who rolled the ball into an empty net. 0-3.

Oba Akinniranye, introduced from the bench, provided some attacking spark and was involved in our best chance, with Ryley Merrett firing across goal. Cobham, however, closed the game out on 85 minutes when Simpson finished unmarked at the far post for a fourth. Late efforts from Oba, which forced a save, and Jack Torbett, who struck the bar, provided little consolation as Cobham marched on towards the title.

After an encouraging midweek friendly, this was a disappointing display, with just one shot on target.

Epsom and Ewell 0 - 4 Cobham
